YNOBE

Ynobe is 9 years old. She was born 9/2006. She is a very happy little girl that enjoys playing with makeup and doing hair. Ynobe’s favorite subject in school is Math. She likes to play outside and go shopping. Ynobe is a very smart, outgoing and loving girl that needs a forever family to love her.

Ynobe wants to be adopted by a loving family that will accept her and work with her on her behavioral needs. Ynobe is working on coping skills that allows her to help control her behavior. Ynobe needs ongoing therapy and a family that is willing to work with her on this. Ynobe has experienced several losses and would benefit from a family that is able to identify with grief and loss.

ready to go!!

597 Elementary Backpacks

225 Middle School Backpacks

178 High School Backpacks

100 alternate backpacks for Pre-K & students on the waiting list

Families and students had a lot fun visiting any one of the 20 activity booths that were located outside the school. They provided plenty of water, snow cones, games, snacks and/or much need information and encouragement to families and students.

Inside the school the health department, Kidz Town Dental, Cornerstone Chiropractic along with Kathleen Sundy and her girl scouts provided health & dental checks along with face painting and tattoos!!

We are already collecting for next year!!

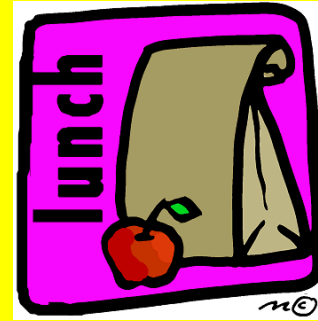

The students we serve now are our future for tomorrow.

Our goal is to make sure ALL Paulding County students are prepared to succeed the **first** day of school and this event helps so many of those students and families be prepared.

Our heartfelt ***Thanks*** to everyone who donated their valuable time along with their hard earned money to help us collect supplies, backpacks and activities for this event.

Believe me, without YOUR support this cannot happen for our community.

- **Summer Lunches**

The summer lunch program provided by CAYA Ministries, Hope Church, Dallas United Methodist Church and Warehouse of Hope provides food for children during the summer school break.

CAYA Ministries	= 13,769 lunches delivered
HOPE Church	= 7,500 lunches delivers
Dallas UMC	= provided families with weekly food boxes

This is an awesome opportunity to serve our community by donating food items and/or a little time to help make this possible.

Summer 2017 will be another opportunity !!
