

2016 Paulding Community Back to school event

Volunteers, such as Victoria (below) and her mom, spent a lot of time driving and picking up backpacks when we found we were short over 500 backpacks on Monday, July 18 – this was the day we sorted and prepared for packing the backpacks!! Thank God for great volunteers and generous folks in Paulding County!!

A couple of very helpful volunteers.

Gail Williams, Social Worker for Paulding County Schools and a delightful recent graduate of EPHS Brockton Bates. Brockton is the Children's Ministry intern with Poplar Springs Baptist church preparing to become a permanent Children's Minister. Thank you Gail and Brockton!!

Joseph Mauldin, missions minister for Poplar Springs Baptist Church and Christy Simmons, Administrative Assistant for Bethany Christian Church helped so much both before and during the event. Christy was our coordinator of activity booths this year and she did a great job helping to make sure the event went off without a problem!! THANK YOU Christy & Joseph!!

Angela Royal with the Georgia Department of Labor joined Joseph and Christy to help move supplies from the storage area to the gym. Angela is very supportive of all we do through PFC and was a big help getting supplies moved and ready for the backpacks to be filled!

THANK YOU Angela!

Packing and counting 1,000 backpacks takes a lot of helpful volunteers of all ages!!
All backpacks were packed, the gym was cleaned up and we were ready to go by noon on
Wednesday and everyone had a lot of fun!!

I promise, he was having a LOT of fun!!

Well, at least the moms were!!
