

2016 Paulding Community Back to school event

Great shirts says it all...DO Something!!

A **HOT** day but everyone stuck it out and had fun with the families!

Good Day!!

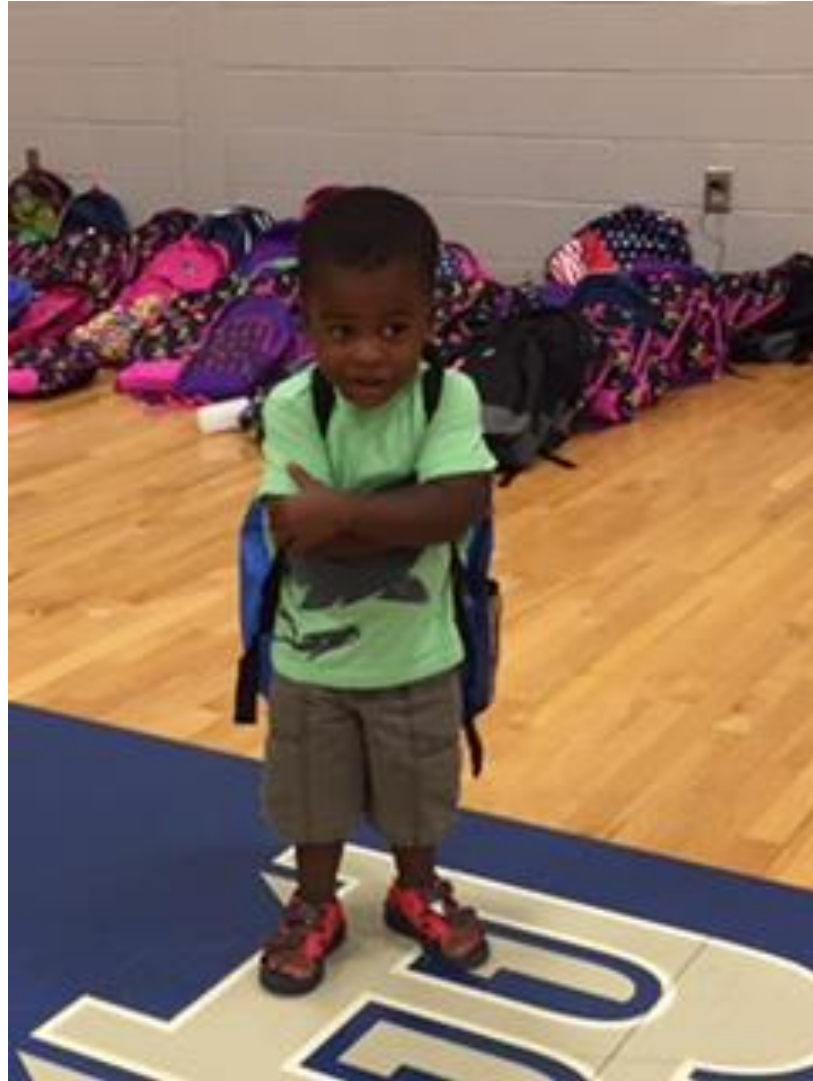

Captain HOTDOG!!
No hotdogs but a lot of water was provided!!

Thank you Captain HD!!

We are already collecting for next year!!

The students we serve now are our future for tomorrow.

Our goal is to make sure ALL Paulding County students are prepared to succeed the **first** day of school and this event helps so many of those students and families be prepared.

Our heartfelt ***Thanks*** to everyone who donated their valuable time along with their hard earned money to help us collect supplies, backpacks and activities for this event.

Believe me, without YOUR support this cannot happen for our community.
